

Kriana Tutoring Assessment

Grade 2 · Writing, Reading & Math — Writing Skills Check-in

Focus: Writing stamina, sentence structure, reading comprehension, and a few core math skills

Reading Passage:

Maya wanted to build the tallest block tower in the classroom. At first, her tower leaned to one side and fell down. Maya felt frustrated, but she took a slow breath and tried again. This time, she put the bigger blocks on the bottom and the smaller blocks on top. Her friend Leo helped count each block as the tower grew taller. When the tower finally stood on its own, Maya smiled and wrote a label that said, 'We kept trying.'

Writing Warm-up: Write 3 complete sentences about something you like to learn or practise. Use capital letters, finger spaces, and punctuation.

Sentence Building: Add details to this sentence: The dog ran. Make it more interesting by telling where, when, or how the dog ran.

Sentence Fix-up: Rewrite this sentence with correct capital letters and punctuation: on saturday maya and leo built a tower

Vocabulary: Choose one word and use it in a complete sentence: frustrated, taller, helped.

Reading: Who are the two characters in the passage?

Reading: Why did Maya's first tower fall down?

Reading: What did Maya do differently the second time?

Reading Response: What lesson can we learn from Maya and Leo? Answer in 1 or 2 complete sentences.

Main Writing Task: Write a short story about a time someone tried again after something was hard. Include a beginning, middle, and end. Try to write 6 to 8 complete sentences.

Math: $38 + 24 =$ _____. Show your work.

Math: $72 - 19 =$ _____. Show your work.

Math Word Problem: Leo has 18 blue blocks and 15 red blocks. How many blocks does he have altogether?

Math: Count by 5s to fill in the missing numbers: 5, 10, __, 20, __, 30, __.

Tutoring Tip:

This assessment is designed to prioritize writing. Look for complete sentences, clear ideas, spelling attempts, punctuation, stamina, and whether the student can explain thinking in words.
