

Grade: JK · Early Learning

Topic: Colour Match Adventure

Duration: 20 min discovery station

Instructions: Spark collaborative colour hunts and sorting fun while strengthening fine-motor skills and early learning language.

Activity 1 – Colour Hunt!

Look around your room and find:

● 3 green things

● 2 blue things

● 1 red thing

● 4 yellow things

Draw or list them!

Activity 2 – Sort & Match

Cut and sort coloured tiles or paper squares into matching groups.

Make piles of each colour and count how many you have.

✓ Say out loud:

“I have 3 red, 2 blue, and 1 green!”

Activity 3 – Move & Match

When you hear the colour, do the movement!

- Red: Jump up high!
- Blue: Spin around!
- Green: Clap your hands 3 times!
- Yellow: Take 2 small steps forward!

Activity 4 – Pattern Challenge

Continue the colour pattern below:

Then make your own pattern using crayons or markers.

Activity 5 – Draw & Name

Draw one item that is your favourite colour and write its name.

“My favourite colour is _____!”

💡 Teacher Reflection Prompt

Ask: “Which colour helps you feel happy? Which colour is calm?” Encourage children to share and point to examples.
